PROFESSIONAL SUMMARY

Computer Science student with hands-on experience in full-stack development, specializing in MERN stack, API development, and database management. Eager to contribute strong problem-solving skills and technical expertise in a challenging role.

EXPERIENCE

Varcons Technologies Pvt. Ltd

Bengaluru, Karnataka, India · Remote

Full Stack Web Development Intern

Oct 2023 - Dec 2023

- Developed StealTeal, a full stack web app with a virtual try-on feature using Revery API.
- Integrated Stripe for secure payments and Mailjet for newsletters, enhancing user engagement.
- Built a responsive UI with ReactJS and Chakra UI, and integrated it with a Node.js backend.

PROJECTS

Engineer's E-library | MERN stack, Stripe.js, Multer, CORS

August 2024

- Built a platform for engineers to access and manage digital resources efficiently.
- Implemented user authentication, favorites, and secure payment processing with Stripe.js.
- Utilized Multer for file uploads and CORS for enhanced data security.
- Designed for a streamlined, intuitive user experience.

StealTeal | React, Chakra UI, Node.js, Express, MongoDB

December 2023

- Developed a full-stack fashion retail web app with virtual try-on feature using Revery API.
- Integrated Stripe for secure payment processing and Mailjet for managing newsletter subscriptions.
- Ensured responsive design across mobile and tablet devices using Chakra UI.
- Deployed on Render, offering wide accessibility and smooth user experience.

File-manager | Python, Tkinter

June 2024

- Created a tool to automate sorting, renaming, and organizing files.
- Developed a Tkinter-based GUI for user-friendly interactions and smooth operations.
- Implemented features for custom renaming patterns while preserving file extensions.

SKILLS

Programming Languages: Java, JavaScript, HTML/CSS, C, Python

Tools: Git/GitHub, VS Code

Frameworks: React, AngularJS, Node.js

Technologies: Scrapy, API Development, REST, Database Management

CERTIFICATIONS

Data Structures and Algorithms (DSA) with Java

Apna College

CGPA: 8.30/10.0

Percentage: 86%

Percentage: 92.3%

View Certification

• Skills Acquired: Data Structures, Algorithms, Java, Coding Skills

EDUCATION

JSS Academy of Technical Education

B.E. Computer Science, 2025

• Relevant Coursework: DSA, Software Engineering, DBMS, Operating Systems, Computer Networks, AI and ML, Design and Analysis of Algorithms

PES Pre-University College

2nd PU, 2021

The Oxford English School

10th std, April 2019

Hobbies

Cricket, Chess
